

### **Youth Leagues/Classes COVID-19 Guidelines**

XL families,

We are excited to be able to run our Youth Leagues & Classes now that we have moved into the “Green Phase” as of June 26th. We know that this has been a strange and hard time for everyone. We are happy to be able to help relieve some of the stress by offering leagues for you to take part in, they will run in the same format as before with some changes to our overall operations in order to keep you all as safe as possible while in the building.

We will be using the rules and regulations for our leagues that are already posted online, the changes that we are addressing in this will be in effect until we move out of the “Green Phase”. We wish to keep all our players, officials, and staff as safe as possible.
