

**XL Sports World Hatfield  
Summer Camp 2020 - COVID-19 Response Plan:**

Dear XL Families,

We hope you are all safe and well during this unprecedented period of time we are living through. As of May 22nd, 2020, Pennsylvania's State Government has begun issuing guidance for all Summer Camp programming. As such, XL Sports World Hatfield will be working stringently within those guidelines to ensure all of our existing customer families and new ones alike, are kept safe during all 11 weeks of our camp programs. In preparation for this reopening and to ensure we follow all state guidelines we have been working hard to make some adjustments in our usual Camp policy and procedures and wanted to share with you what we are planning so that you can be well informed before your child begins attending camp with us.

**What to expect of XL Sports World Hatfield Summer Camp 2020 Operations:**

- **On Monday, June 15th we will start back with the first week of Summer Day Camp 2020**
- **The Camp days will follow our updated camp curriculum, based upon the Pennsylvania Department of Health's Summer Camp guidance for COVID-19 operations.**
- **Campers will be kept in smaller groups than we previously operated with.**
- **We will work to keep all groups of children in the same groups each week and assign the same counselor/coach to the group, weekly.**
- **Group sizes will be limited to 10 children, maximum**
- **Each group of campers will be playing the sports, games and activities, separate from one another within the building**

- Each field/court location will have a separate entrance, to again, avoid groups of more than 10 being in close proximity.
- Parents will drop off without leaving their car and likewise for pick up. We will be using a brand new protocol where we deliver the camper to your car.
- No Parents or Guardians will enter the building to retrieve or drop off campers, XL staff will check campers in and out of the building, just outside of the front doors at a designated station.
- Temperature checks will be performed at check in of all campers, to ensure no one with a temperature greater than 100.4 degrees, will be brought into the general population of camp. XL Staff will re-test the temperature based upon ambient sunlight false readings, if needed.
- Children registering a temperature of 100.4 degrees or higher will be asked to return with their parents or guardians and stay home from camp for 14 days. To return to camp, a Doctor's note will be required to show they are fit to return to camp.
- If children are found to be ill during the day, they will be taken to a separate room from the general population of camp and their parents/guardians will be contacted to have them picked up. For returning to camp, a Doctor's note will be required to show they are fit to return.

**Precautionary Measures we are taking to Minimize Risk of COVID-19 Exposure:**

- \* Implement social distancing protocols, as determined by the Pennsylvania Department of Health***
- \* Smaller group sizes for group activities (10:1 player/counselor ratio)***
- \* Socially distanced lunch and snack formats***
- \* No usage of pinnies for camp***
- \* Modified activities to limit close contact between players***
- \* Increased frequency and intensity of facility cleanings of all surfaces***
- \* Mandatory hand-washing for all players***
- \* Mandatory wearing of masks/face coverings by all XL staff, per Pennsylvania Department of Health's standards***
- \*Mandatory wearing of masks/face coverings by campers while in common areas of the facility as well as entry and exit. Masks are not required during strenuous sports activities or lunch/snack times.***
- \* Forehead temperature checks to ensure no fevers, during the check in process, daily***

Please note, the Summer Camp is completely voluntary, by opting out of any camp days or weeks that have been paid for, you will receive an account credit for future usage in any XL league, camp, class or rental (Deposits are not creditable nor refundable). Refunds are not issued for voluntarily deciding not to attend. We are looking forward to effectively and safely moving forward with the utmost attention to safety and health.
